Mycohan  
continent,  
town of  
Vunzuike.

Forest  
monster  
goblins  
are  
generally  
not active  
while the  
forest is  
asleep.

Goblin  
stores in  
the forest  
all close at  
sundown.

But just  
hear me  
out

Well, you  
may not  
believe me.

Eh..?

How did you  
see through  
my disguise?

Ah, I mean,  
I'm human.

Your  
skin's  
green!

Ah..

..Ohh,  
I'm sick.

My disguise  
caulds  
colours!

There's  
no way!

Waaaagh!  
Green!

Wah-  
Wah-

I don't think  
it's good to  
discriminate  
based on  
skin colour,  
you know?

In this  
day and age.

Summoned  
hero...

It is  
modelled  
after  
something  
called a  
'convenience  
store' from  
his world.

This store  
was  
apparently  
opened  
by her  
husband  
(originally a  
summoned  
hero).

...It would  
be nice if  
she got back  
to her world.

...I wonder how  
Akki's doing?

I haven't seen  
her since then.

A newly-  
starting  
middle  
schooler  
hero.

Got  
destroyed  
by Goblin-  
san, then  
got a  
bit close  
and got  
destroyed.

Then  
stabbed  
to death.

New England

Creak

Real name:  
Hawwasabi

Whooah,  
it's been  
a while!

Why?!

You're  
kind of  
annoying  
me

Why so little  
attention?

I finally got  
to see  
you again!

Thank you  
so much  
for that  
money!

Because  
of that,  
I was-

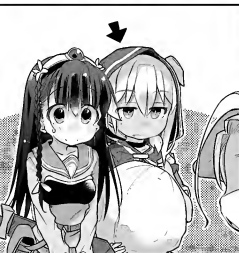

Wasaki-  
saaaan!

seewach?

You can go on ahead.

It's dangerous to leave you alone with her!

You think so?

How peaceful.

I thought that maybe  
you fell onto things,  
too, but I never had  
the chance to give  
it to you.

Letting her  
guard down  
around someone  
that's killed her  
so many times...

It's said  
they have  
the souls of  
angels...

And the  
hero gets  
revived.

When they  
get killed,  
they're  
automatically  
sent back to  
the palace.

When their  
companions  
die, the caskets  
will follow  
them around.

Akita, too.

But a lot  
of them are  
pretty strange.

And she  
was so  
afraid  
of dying.

Or does  
she do it  
knowing  
the  
danger...

What  
a fool.

Hehe,  
thanks.

But next  
time we  
meet, I  
won't go  
easy on  
you!

...See you.

It's  
very  
cute!

Even if  
things seem  
friendly,  
has she  
considered  
she might  
get attacked  
once she  
leaves town?
